Academic Offer for International Exchange Students

Faculty of Pharmacy

Madrid (SPAIN)

Presentation

Dear student,

We are proud to present you the **academic offer** of the [Faculty of Pharmacy of the University CEU-San Pablo](#) for **ERASMUS** and other **International exchange students**.

Our Faculty combines academic excellence in teaching and research with international projection. We teach both in Spanish and [English](#) through our **international and bilingual degree programmes** (in agreement with Chicago University). We offer our students personalized attention and the best infrastructures and equipment for their comprehensive education. We also offer **free Spanish language courses** of any level. Our campus is near Madrid and is connected by underground and bus to the city's nerve centers, enabling you to live an academic and personal experience full of possibilities.

The international exchange students are allowed to register in any subject from any of **our degrees**:

- [Degree in Pharmacy](#)
- [Degree in Biotechnology](#)
- [Degree in Human Nutrition and Dietetics](#)

We also offer both [research and hospital or community pharmacy traineeships](#).

Do not hesitate to contact us if you need further information.

Looking forward to seeing you in our Faculty,

Carmen Pérez (capegar@ceu.es) & **Ana Gradillas** (gradini@ceu.es)

International Relations Coordinators
