There will be certain subjects in which, due to their special characteristics, groups will be split. The code of the splitting, when applicable, will be the same as that of the group, normally adding 20.

VERY IMPORTANT!

In order to avoid overlapping schedules, within the same course you must enroll in the same group (or its split), taking into account in any case the language that corresponds to you.

DO NOT ACCEPT AN ENROLLMENT IF THE PROGRAM IS INDICATING THAT THERE IS AN OVERLAP OF SCHEDULES
