

Enrollment Guide 2024-2025

School of Medicine

New students

Welcome!!!

Enrollment

Enrollment

is conducted entirely **online**.

New students:

As of **May 21, 2024**.

Following the enrollment completion guide (Sigma).

In which group should I enroll?

Students must enroll in **the theory groups** (except in the case of the Bachelor's degree in Medicine, which will be random for new students).

VERY IMPORTANT!!! You must enroll in the same theory group for all the subjects of the same course.

If you have any incidence in the registration, please inform us and through your intranet in INCIDENCES AND REQUESTS inform us about it (Annex I).

REMINDER: for organizational reasons, the secretary's office may readjust the theoretical and practical groups.

Particularities

Nursing

Bachelor's degree in Nursing

It consists of 4 theory groups for new students:

101 and 102 Afternoon Hours

103 and 104 Morning Schedule

The assignment of internship groups will be made by the Academic Secretary's Office after the information provided by the Nursing Department.

IMPORTANT: The choice of Morning or Afternoon group by the student is orientative, it will not be definitive until the adjustments are made by the Department and the Secretary's Office, and may be modified for organizational reasons.

Physiotherapy

Bachelor's degree in Physiotherapy

It consists of 2 theory groups.

101: Physical Therapy (taught in Spanish)

201: Physiotherapy (taught in English)

There are two practice shifts:

Morning and afternoon shift

The assignment of practice groups will be made by the Academic Secretary's Office after the information provided by the Physiotherapy Department.

**There are two practice sessions;
Morning shift and Afternoon shift**

The assignment of the groups of practices will be made from the Academic Secretary after the information provided by the Department of Physiotherapy

Specialties: Medicine

Bachelor's degree in Medicine

It is made up of 4 theory groups in the 1st and 2nd grades.

The assignment of theory groups for new students will be random (the same theory group will be assigned for all subjects of the same course). If any type of error occurs, please report it through INCIDENTS AND REQUESTS (Annex I).

The internship groups will be assigned by the Academic Secretary's Office, after the information provided by the department.

REMINDER: for organizational reasons, the secretary's office may readjust the theoretical and practical groups.
