Dear Dr. Dominguez Nafría:

At the July 2015 meeting of the National Architectural Accrediting Board, the board reviewed the Visiting Team Report from visit three to Universidad San Pablo CEU. I am pleased to report that the Grado en Arquitectura (Degree in Architecture) has been granted Substantial Equivalency for a period of six years. The Substantial Equivalency term is effective January 1, 2015.

The NAAB requires that the following documents be housed together in the architecture library and be freely available to everyone: the most recent Architecture Program Report, the final Visiting Team Report (attached), and the current editions of the *Conditions for Substantial Equivalency* and the *Procedures for Substantial Equivalency*. Also see Appendix 6 of the *2012 Conditions* for the required text in catalogs and promotional materials.

On behalf of the NAAB directors and staff, I want to congratulate San Pablo CEU on achieving the Substantial Equivalency designation.

Sincerely,

Shannon B. Kraus, FAIA, NCARB, MBA, FACHA
