

## HOW DOES THE SCHEDULE WORK?

First of all, you can consult the timetables by going to the web page:

[Información útil | Facultad de Derecho \(uspceu.com\)](http://uspceu.com)

Once you click to that option, it will redirect you to the website of our university, there you will see four categories, which can be useful for the student.

Here you will have to take into account the following aspects:

- 1) The group in which is imparted
- 2) At what time is taught that course, so you won't have courses that overlaps

This document must be used in a complementary matter, we advise you to check the document **"OFERTA ACADÉMICA"**, which shows all the courses that are offer to the incoming students. Once you know which subjects you want to take, you must check the Schedule so they don't overlap.
