Dear David Santos Mejía:

At the July 2014 meeting of its board of directors, the National Architectural Accrediting Board voted to accept the report from visit two regarding the substantial equivalency application for the Grado en Arquitectura (Degree in Architecture) at Universidad San Pablo CEU.

The NAAB wishes to congratulate the university on completing this step in the process for achieving the substantial equivalency designation. The final step is visit three. This is a comprehensive visit by a four-person team (one practitioner, one educator, one regulator, and one student). We anticipate that visit three will take place in the spring or fall of 2015. The Architecture Program Report must be received by the NAAB 120 days before the visit.

The process for initiating visit three is described in Section 5 of the *Procedures for Substantial Equivalency*, which is available on the NAAB's web site. Please do not hesitate to contact Janet Rumbarger ([jrumbarger@naab.org](mailto:jrumbarger@naab.org)) if you have questions or concerns about the visit or the process.

The NAAB requires that the following documents be housed together in the architecture library and be freely accessible to everyone: the Architecture Program Report submitted for visit two, the final Visiting Team Report and pertinent attachments (enclosed), and the current editions of the *Conditions for Substantial Equivalency* and the *Procedures for Substantial Equivalency*.

On behalf of the NAAB directors and staff, I want to express how pleased we are that the university is moving forward with this program. The NAAB looks forward to continuing to build this relationship with the Universidad San Pablo CEU and to the continued growth and development of your colleagues and students.

Sincerely,

A handwritten signature in blue ink, appearing to read 'S. Kraus', is written over a faint, circular blue stamp.
